ALPHA-OKU SOLAR POOL HEATING

Swimming in a solar heated pool
is so much more pleasurable ,
I'M SURE YOU AGREE

Why should you purchase the ALPHA OKU solar pool heating panel through Alpha Energy New Zealand

Alpha Energy is a New Zealand based company that prides itself in offering excellent products and service to New Zealand , Australia and the South Pacific Islands

Alpha Energy's base history is 30 years previous experience in the Plumbing and Heating industry so we know what is the best product for your business

Alpha Energy offers a 1 to 1 business service , our close proximity allows for personal face to face collaboration when and if required so we can achieve our goal of your satisfaction

Alpha Energy has been dealing with the Alpha OKU products since 2005 and has a proven record of product knowledge for domestic or commercial solar pool heating systems

Alpha Energy will take care of any product warranties as quick as possible by either replacement or credit note , you don't have to negotiate with the manufacturer , we will settle claims efficiently

Alpha Energy has warranty replacement stock on hand and can be delivered to you from New Zealand within a few short weeks rather than months from Europe

Alpha Energy has excellent importation freight rates , this price benefit goes directly to you to guarantee that your pricing will remain as steady as possible with little or no price change

Alpha Energy can offer you the choice of paying in multiple foreign currencies payments , your currency for purchasing can be **NZD - USD - EURO or AUD** , your choice.

Be assured that when you purchase through **Alpha Energy** that you are aligned with a ethical dealer that promises an assures you will always get the best **Quality of Product and Services**
